Hi Adam 👋🏾 Nice to meet you!

Hi Adam 👋🏾 Nice to meet you!

I've worked with everyone to build them the profiles that I use to recommend them to you when you need them.

I help people accross TD easily find the right coworker that can get the information they're looking for.

I know that LinkedIn keeps a list of your skills that others have endorsed you for, may I import those skills to jumpstart your profile?

Hi Adam, me again. When you are looking for someone to help you with a Javascript problem, just type `Javascript` and I'll perform that search for you. It'll look like this:

I found 52 people that have skills match with Javascript. Here are the top 3.

Kris Bhargava

See More

Zhou Qi

See More

Manu Ginobli

See More

You can see the rest of the search results on the web app, take me to Got Expertise
