

If you add context to your skills, others at TD can understand how you can help them with their particular skill!

Add context to [User Interview](#)

Write about how you built this skill? How long have you been working on it? On what kinds of projects did you use this skill?

Add context to [User Testing](#)

Write about how you built this skill? How long have you been working on it? On what kinds of projects did you use this skill?

Keep in Unsorted
